My condolences to Mary Rose's family who must be heart-broken. Mary Rose and I were childhood friends and attended St. Patrick's School together. We had many fun times and sleepovers at each other's houses. My mom even made Mary Rose's first communion dress. Heaven has gained another angel. May she rest in peace and may your cherished memories bring you comfort.

Dear Tanya & Kyle, Tricia & Stacey, Amanda & Brian, Mariah & Jordan & family It sometimes takes me awhile to get around to it but I truly felt your loss as I read about Mary Rose's passing in the paper. Mary Rose did bring many a smile to those around her but her smile lightened the room. I remember many an animated conversation she had with Cal at JJ's. Cal did like to torment just a little. I can only imagine how much you will miss your Mom but she has left you with so many memories to cherish. Today I am thinking about each of you and just want to say. Cheers Mary Rose, thanks for the memories. Hugs to all Sheila & Calvin
