

## GORDON ANDREW RICHARDSON

Mom, Jim, and I, spent many summers at the farm, where Aunt Meta, Alan, Leonard, and Gordon made us feel so very welcome that we almost considered the property as our 2nd home - where we would always be family, and welcome. As an adolescent, I prowled everywhere, be it climbing a silo, or the tree in the front yard and getting covered in sap. Summers, probably, of the 1970's. There are so many memories so lovingly given, so dear and rich .... they will comfort us forever. Gordon (and Alan), are, and will be, very dearly missed. Thank you Gordon, for so warmly embracing us, as, essentially, a big brother. Right back at 'ya.

Leonard, My sympathy to you at this sad time. During the last three years at Blue Mountain Manor I shared the farm paper with Gordon, got smiles and the odd wisecrack. Rest In Peace, Gordon. Marion (Drysdale) McArthur

Sincere condolence's to family and friends. As neighbors I always remember the Richardson 's as cheerful and happy brother's. They were very helpful in the winter time when we had a lot of snow and plowing out our driveway. My mom would always bake them some pies which I'm they appreciated as well. Rest in peace Gordon...
