Dear Kelly, Jake: My sincere condolences to you and also to Moire, Edie, Eileen and Margaret. Tony and my late husband, Doug worked together in Oakville and were still laughing and complaining about their jobs after both of them retired. Ruth and I just rolled our eyes. Missing both these dear friends. Nellie

Sending condolences from Nova Scotia to the Hope and Belcourt families. I will miss Tony's phone calls which always covered his busy social schedule, one or two stories from his working years and a sprinkling of history and politics. It was very clear how much Tony enjoyed his recent years being closer to life long friends and family.

Tony had a big heart as well as a big personality. Not very often was he the quietest person in the room! He loved his family and friends. He loved good grub and a good gab, both best enjoyed with family and friends. Rest in peace, dear man. Sending condolences from St. John's NL. Debbie (Beaton) Miles and Darrell Miles

Sending love and condolences to all who knew Tony. I was the building manager where he lived in Halifax. I enjoyed his daily visits to my office. He always had a story to tell with a mischievous smile and a twinkle in his eye. He talked so fondly of his family. Love to you all.

My sincere sympathy to Maire and the rest of your family. Recall the many hours we spent waiting for the bus at the end of your driveway and the tenth line. Also reminded and often think of our summer spent at Lakeshore Teachers College, Maire. and wonder where you are. I am still near Ottawa where I moved after marrying. Never realized Anthiny and I were the same age!
