To Rolly and all Grace's family, We are so sorry to learn of Grace's illness and passing. Although the years have gone by without seeing each other, Grace's kindness, dedication to children and their learning, her caring and friendship have remained part of our lives and memories. She was an incredibly important person in Tom and Sara's formative years and made such a huge difference in our role as parents. Thank you for sharing her with us! Grace was my neighbour for 26 years. Her love of nature and gentle ways always made my daily walk with my dogs a welcome chore as I stopped to chat with Grace. She was a beautiful soul and surrounded herself in beauty as she worked hard to maintain her exquisite stunning gardens. My condolences to Roly and family

I wish Rolly, Elizabeth, John, and family my condolences and sympathy at this sad time. I only was in touch with my Aunt Grace in the last year or so, and feel blessed to have known her goodness in that brief time. She was - and remains - a very positive soul.

I walked down to the garden this morning. It has been a regular destination for my dog and I for almost 20 years. I looked around and realized it was empty. All the nice signs and knickknacks were gone. I was greatly saddened to realize that Grace was no longer with us. But I will continue to enjoy the walk to her garden no matter what. God bless you, Grace, for all you've done for all of us.
