Very sad to learn of Morgan's sudden passing. My son and Morgan were childhood friends and neighbours. I've always remembered fondly on how kind Wade and Kelly were to Ryan. My heart goes out to them and all of Morgan's loved ones.

Wade, so sorry to hear about your son Morgan. I remember you bringing him in to work one morning when he was younger and he helped me out on the meat counter and I gave him a loonie for helping me. Cherish the memories you have had with him. Thinking of you and your family.

To Alannah, Otto, baby and family, We only had the pleasure of knowing Morgan for a couple of years as our neighbours in Hillsdale. Morgan was always so smiley, friendly, kind and never missed a wavy from across the road when he saw any of us. Our hearts break for all of you during this very tragic time, it's unimaginable what you're all going through and need to navigate through. Words cannot express how deeply sorry we are for your great loss, you're in our thoughts and prayers. Joanne, Gord, Morgan and Leah

As the days pass since i heard the tragic new of Morgans passing its like time has been put on hold to sit in silence and remember all the goodness you brought into this world not to mention the endless comments his customers would leave saying such a hard working pleasant young man and raised right theres no formula for life but if there was he would of been close to perfecting it hes going to be missed by all that he crossed paths with thank you morgan you will never be forgotten .

I only met Morgan this summer after my husband passed away suddenly. Morgan came to upgrade our well and we had some very lovely conversations about family and how excited he was about the birth of his baby. He was a very nice young man.
