

MARILYN BUMSTEAD

Our sincere condolences to Marilyn's family. I have many fond memories of Marilyn from years ago when she and Glen helped with different Wyevale community projects, whether in the park, church or school. You are in our thoughts and prayers. C

Our sympathy to the family. Marilyn was a lovely lady and was so friendly and welcoming to us when we moved to Wyevale 51 years ago. We are sorry that we will be unable to attend.

To Marilyn's family: So sorry to hear of Marilyn's passing. I remember her and Glen quite well, as all of the Bumstead's, having grown up in Wyevale myself. I send you my condolences and hope memories of the fun times give you peace and solace.

So many memories of Marilyn and the Bumstead family over the years. She was simply a sweet, thoughtful lady who always took time to chat regardless of how much time had passed. Wyevale was a much smaller place when our families grew up there and we were all very much connected as friends. May you all keep her kindness and compassion close to your hearts in the years to follow. I bet Glen will be happy to be reunited with her and I imagine many others with a good ole Wyevale welcome!
