Aunt Caryl was like a ray of sunshine, she could brighten any room. She was a shoulder you could lean on when you were down. There were times when I feel she was our angel sent from God, here on earth, coming in to check to see that you were okay, even though she had no idea what might be going on. Now God has taken her away, as we are all only here for a short time on this earth. Thank you so much for all the treasured memories Aunt Caryl... Rest in peace, you will forever be in our hearts

Sending our deepest condolences for the sudden loss of your Mom . I have very fond memories from over 45 years ago when I first met your sweet Mom . Always with a very welcoming sweet and very kind genuine disposition. You knew how much she loved her family and would do anything for them . May her memories and words of wisdom always stay with you ☹☹☹

I would like offer my deepest sympathy to the family. Caryl was a pleasure to talk to and even take a walk with. I met Caryl when I worked for Canada Post I used to deliver her mail and give her dog a cookie. She ended up moving with her son in my same neighborhood so I continued to meet her for chit-chats. I will miss her getting her mail at the mailbox. Rest in peace Caryl and you will see your pup again Gisele Martin 70Sundew

Our sincere condolences to the family/loved ones of Aunt Caryl in her sudden passing from this life to the next. Losing Aunt Caryl is a huge loss for us all, as she will be missed by many. Aunt Caryl, while being a good mother, nana, great nana, aunt, sister, and care giver, more than anything, she was the person their at every crisis with a ray of hope, and always with a positive light, even when there, seem to be no light. Keep that in mind, as you lay Aunt Caryl to rest, as I am sure she would be saying: "no tears, for I am happy, I am simply going home to David, the love of my life. My work here is done. Now take care of each other, until we meet again!." As that was her positive way. At least that was my first thought when I heard the news of her passing. Until we meet again, Aunt Caryl, may you rest in heavenly peace. Love always, Lauretta, Ron and family

So sorry for your loss Georgie, Anna, Darlene and Debbie. Your mother was a wonderful lady. Both she, and Uncle Dave, always felt like an additional set of grandparents to us. I so enjoyed my visits with her. I hope she's having tea with Nana up above. Take Care Laura
