Our family knew the O'Neill family for along time. My mother, Mabel was a good friend of Marie's. When mom passed in 2008 Marie had all of our family to her house for lunch in Elmvale. Marie was an exceptional woman and a compassionate soul. May she rest in peace. She will be missed.

Our sincere sympathy to Marie's family. Marie and Bev were great friends and great support to my parents, Gerard and Frances Moran. They played many games of cards together and enjoyed the Elmvale Sunshine group. After Dad's, passing they made sure that Mom got out to the card games and Seniors' social events. Both Marie and Bev will be remembered for their generosity and friendship.

We are so sorry to learn of Marie's passing. She was our neighbour in Fergusonvale for a number of years - a wonderful, caring person who was a treat to be around. Such spirit and compassion all wrapped up in a strong lovely lady.

I would like to send my most sincere condolences to Marie's family. I had the great pleasure of working with Marie at Bell Canada. She was a wonderful person and a great supervisor. She even knit me a vest and use to help me with my knitting. A very sad loss. Rest in peace dear Marie. Jackie Mayer

My sincere condolences to Marie's family. My husband and I were neighbours to Bev and Marie on Hunter Court in Elmvale. Marie was always dropping by to say hello, share treats, and made a beautiful blanket for our first born son - one that we have packed away for safekeeping. A beautiful person who was always smiling. Much love to the family during this time.
