Sending heartfelt condolences to Paulette and family at this very difficult time. Corby was a very special part of our family for many years. Corby came to be babysat at our home when he was little and soon became a big part of everything we did. He was a quiet shy little boy with a beautiful smile and a compassionate heart. It didn't take long for him to fit in and become part of the family. Paulette would come to pick him up and stay and have a visit. She was more then just a mom that dropped off and picked up her son after work. It was very easy to become friends with the Stott family. Over the years when Corby got older and didn't need a babysitter he still made a point to say hi and talk when we would see him, always friendly and always kind. When he worked at Foodland and we were in one day shopping he stopped what he was doing and came out to help us find what we were looking for, always willing to help. The little boy that came to stay with us when he was still in diapers was now towering over us as a grown man. I am so happy to have had the pleasure of having Corby and his family part of our family, he will definitely be missed . I hope Paulette and her family can find some peace in knowing she raised a wonderful young man that meant so much to so many.
