I'm so sorry to hear of Johns passing. I was a server at Horseshoe and served him a few times. He was such a great guest and always had a beautiful smile. He will be missed

I would like to express my deepest symoathiy after John's sudden passing. I met John during his Molson's days and continued to get together during his semi-retirement workingon contract for Cimco Refrigeration. True friend and will definitely be missed.

Well what can one say about Mr Saboooooooo ... he was a fresh breeze coupled with a very good penchant for hops and barley! which we shared on many occasions. Met John via Molson whom I did work for when it was open!! golfed many times with him, and he was the reason for me paring the back nine at National Pines. Between him saying - "Homo - slow down to Mach 1" and the bottle of butter ripple endeared John to my heart for life!! He will be missed by many. Rest well Curly!!
