So very sorry to hear about Eric's passing, and sad that I can't be there to offer my condolences in person. I so appreciated seeing you all at both Murray and Mom's funerals, unfortunately it seems we leave it to the worst times to reconnect. But Eric regaled me with all the goings on of the grandkids, he was always very proud of his family. Clarine, Kim and the whole family, know that you are all in my heart at such a tough time. NancyK

Clarine and Family - so sorry to hear of Eric's passing. It is sad to live so far away when times like these are happening, but please be assured your loss is our loss. When we read all the lovely comments passed on from your friends and acquaintances we are very proud he was our cousin. His mother would have been equally proud to hear of the fine person he has become as a husband, father, grandfather, great-grandfather, brother and friend. Our memories of growing up together on Grandma and Grandpa's farm are very special and will last as long as we can remember. Blessings to you all.
