ACHILLE RECCHIA

Very sorry Marilyn and family for your loss. Keep his memories forever in your hearts.

Zio Achille was one of my favourite uncles. He would always joke around with me and try to kick my bum every time he saw me. He would always sit beside me at my cottage when we had dinner and was my moms card team player. I would always call him to see how he was doing? Achille was always a happy and spirited person when he had company. He always had a smile when ever he took a picture. I will miss him dearly
