

GUY HENRY HILLIARD

I lived across the road from Guy for 5 years but just moved away three months ago, he was wonderful to my son and I during and after a very difficult time in our lives. My thoughts are with the entire family during the difficult days ahead!

Thinking of everyone and sending my love to you all, wish I was closer to see you and to share in this time of remembering Uncle Guy's life. I remember how he was a big part of our family growing up. His brother, Henry loved him very much it has always been such an amazing thing to know how tightly knit the "brother and sisters" were and their dedication to their mother who always loved each and everyone so dearly. My condolences reaching out to you from the west coast. Love, Sherry

Cathy, Beth, Chris and Guy Oh my was I shocked when I was snooping around on facebook. I was so saddened to read about your father. Such a good and loving person. I so enjoyed that day that we spent together last year talking about the past and looking at old photos. And of course cannot leave of the wonder dinner with him and Beth. Much love to all of you.
